

Barry P. Chaiken, MD, MPH

Barry P. Chaiken, MD, MPH, FHIMSS has over 20 years experience in healthcare information technology, patient safety, clinical transformation, and public health. During his career, he worked with the National Institutes of Health, U.K's. National Health Service, McKesson, and BearingPoint.

Over the past 15 years Chaiken provided expertise in quality and patient safety to provider and payor organizations helping them utilize information technology to improve clinical and administrative activities. He has served as guest lecturer and consultant on topics including patient safety, clinician adoption of information technology, quality improvement and managed care. Chaiken also assisted hospitals and technology firms in the creation of medical software products and authoring of marketing communication materials.

Chaiken is board certified in General Preventive Medicine and Public Health as well as Health Care Quality Management. He is currently Chief Medical Officer at DocsNetwork, Ltd. where he provides thought leadership and offers clients his expertise in clinical transformation and quality improvement. Chaiken serves as Chief Medical Officer at Imprivata, Inc., Chief Medical Informatics Officer at Symphony Corporation and on the Healthcare Advisory Board of Evolvent Technologies, Inc. He has delivered more than 60 CME lectures, and is currently on the editorial board of the *Journal of Patient Safety* and the journal of *Patient Safety and Quality Healthcare*. Chaiken writes a column on technology and quality for the journal *Patient Safety and Quality Health Care*.

Chaiken received his medical degree from SUNY Downstate Medical Center, NYC, his masters in public health degree in health services administration from the Harvard School of Public Health and his bachelors of arts degree in psychology from the University at Albany. He acquired his specialty training from the Centers for Disease Control as an Epidemic Intelligence Service Officer and from the New Jersey State Department of Health as a preventive medicine resident. He served as a Board member (2006-2010), Board Liaison to HIMSS Europe (2006-2009), and Board Chair (2009-2010), and continues his involvement as a Fellow of the Health Information Management and Systems Society (HIMSS). Chaiken holds an appointment as Adjunct Assistant Professor in the Department of Public Health and Family Medicine at Tufts University School of Medicine.
