PROFESSIONAL EXPERIENCE

- 2008 to present **DocsNetwork, Ltd., Boston, MA**
2003 – 2005 Founder and Chief Medical Officer of this informatics and health care consulting firm.
1995 – 1996
1985 – 1992
- Co-produced six profitable healthcare IT conferences with each attracting over 150 C-suite level attendees.
 - Facilitated several executive roundtable events targeted at senior level HIT professionals for mid-size IT hardware and services vendor.
 - Assisted young healthcare product organizations through participation on clinical advisory boards.
 - Reorganized and redirected educational programs in quality improvement and patient safety for medical professional society.
 - Principal investigator for several \$50,000 Phase I Small Business Innovation Research grants from the National Institutes of Health.
 - Managed \$600,000 development project for software to be used for accreditation of physician internal medicine training programs.
- 2005 – 2008 **BearingPoint, Inc., Boston, MA**
Associate Chief Medical Officer, Director of this management consulting company.
- Led content team building quality and patient safety website targeted at hospital CEOs.
 - Assisted in development of health IT clinical content governance model for IT vendor in UK.
 - Author bi-monthly column on quality and healthcare information technology for industry publication.
 - Deliver thought leadership on clinical information technology issues.
 - Frequent spokesman for healthcare practice on patient safety and information technology.
 - Key member of clinical transformation team.
- 1997 – 2003 **McKesson Corporation, Boston, MA**
Vice President, Medical Affairs for this health care information technology company.
- Provided clinical marketing support to enterprise information tools.
 - Frequent spokesman for company on patient safety and information technology.
 - Developed relationships with national and international health care organizations.
 - Authored marketing collaterals for clinically based software products and consulting.
 - Led clinical sales and marketing efforts for IT managed care products.
 - Incorporated physician led client association.
 - Provided clinical liaison support for this organization's provider profiling, case management, and claims review information technology tools.

BARRY PAUL CHAIKEN, MD, MPH

1996 - 1997

Confer Software (Araxsys, Inc.), Redwood City, CA

Corporate Medical Director for this health care workflow software company.

- Contributed to product development through feature / function documentation and integration review.
- Authored concept articles on clinical workflow tools.
- Participated in public relations campaign to enhance product and corporate visibility.
- Assisted in strategic planning for rapidly growing company.
- Facilitated sales process and client support services through clinical input.

1993 - 1995

GMIS, Inc., Boston, MA

Vice President for Clinical Marketing for this health information company.

- Introduced provider profiling and appropriateness tools to health care payor clients.
- Established public relations campaign to enhance product and corporate visibility.
- Researched and defined market for appropriateness protocols.

1992-1993

Health Risk Management, Inc., Minneapolis, MN

Vice President for Medical Planning and Development for this utilization management company.

- Constructed external expert panels for practice guideline development.
- Edited position papers on practice guidelines for utilization management physicians.

CLINICAL TRAINING

1986-1988

Framingham Heart Study, Framingham, MA

Clinical Investigator.

1984-1985

New Jersey State Department of Health, Trenton, NJ

Preventive Medicine Resident.

1982-1984

Centers for Disease Control, Atlanta, GA

Epidemic Intelligence Service Officer assigned to the Allegheny County Health Department, Pittsburgh, PA and the NJ State Department of Health.

1981-1982

Brockton Hospital, Brockton, MA

Internal medicine clinical intern.

EDUCATION

1981

SUNY Downstate Medical Center, Brooklyn, NY

Doctor of Medicine degree.

1981

Harvard School of Public Health, Boston, MA

Master of Public Health degree.

1977

University at Albany, Albany, NY

Bachelor of Arts, Psychology, Magna Cum Laude.

INTERESTS

Furniture building, marathoning, hiking, biking, theater, ballet, winemaking, and baseball.
